

ERS National Conference

March 12, 2020

Re: COVID-19 Update on the ERS National Conference

Out of concern for all involved, we have decided to postpone the 2020 ERS National Conference. Our disappointment in having to postpone the event is far overshadowed by our intention to protect all those planning to attend. In addition, a large percentage of planned attendees, as well as many presenters, are prohibited from attending by their government and/or organization.

We do plan to reschedule the conference; however we are holding off setting any dates until we know more about what the future holds. No one yet knows how long this pandemic will last. We will alert you as soon as we know when the conference can be held. All updates will also be posted on our website www.ERSconference.com.

We will refund all registrations immediately and without penalty. If you have any questions about your refund, please contact Dara Piltz at dara@pro-meetings.com or (715) 577-5571. If you have hotel reservations, please cancel with them at your earliest convenience.

We apologize for any inconvenience and disappointment that this decision may cause. If you have any questions, please contact us via email.

Wishing you and your community safety and good health in this difficult time!
